Two/three-bedroom high quality apartments situated in an enviable location with views to La Manga del Mar Menor and to the Marchamalo salt flats.

Energy efficient, these properties are built with aerothermal power which means that air conditioning, heating and hot water are generated using renewable energy. The kitchens are fully fitted with white goods and high gloss white cupboards. All living rooms have access onto lovely ample terraces with panoramic views over the Mar Menor and the properties are designed to have a high level of thermal and acoustic insulation.

The apartment buildings have been designed to occupy only the 15% of the total plot size, the remaining plot size being assigned to communal areas, including a Mediterranean garden, a shaded area with deckchairs, a bird watching area, spa, gym and other areas to practice different types of sports, sand pool and playgrounds not only for children but also a separate one for pets!

In total there will be 130 apartments, 7 of which are penthouses.
