Luxurious, modern and innovative residential project in Benahavis.

It is situated in the municipality of Benahavis, one of the most exclusive areas on the Costa del Sol. It has been created by a sophisticated team of professionals seeking to set up a concept that brings together the very latest contemporary architectonic style with quality of life, paying special attention to its splendid natural backdrop. In short, this “boutique project” of just 24 apartments captures the essence of “a new way of living”, in one of the most prestigious destinations in Europe, whose exquisite location enjoys spectacular panoramic views of the sea and the mountains in an extremely well-cared-for setting.

This development promotes a healthy lifestyle. It has two pools: one outdoor and a heated indoor one which, thanks to the great window which can be slid into the wall, merges into the garden in front of it. Likewise, proprietors will be able to avail of a spa area with sauna, Turkish bath, thermal shower and a perfectly equipped gymnasium.
