Magnificent penthouse in Urb. La Dama De Noche , great location, situated very close to Puerto Banus within walking distance of all amenities.

3 bedrooms and 2 bathrooms. Southwest orientation with nice views all around the penthouse. Includes underground parking space and outdoor parking.

The urbanisation complex includes 24 hours security, closed entrance, beautifully scented flowers and tropical plantation. Properties very popular because of their high profitability. All are built around two large outdoor pools.

You deserve nothing less than this one-of-a-kind luxurious penthouse to make the most of your 320 sunny days a year in a great location in Costa del Sol.
