Address: Mazarron,

A very modern style apartment which offers large terrace sea views and designed to let in lots of natural light. On the ground floor there are three bedrooms, two bathrooms and a fitted kitchen as well as off road parking with a private pool. This is in a fantastic location with only a 10 minute walk from the Fabulous Marina of Puerto De Mazarron with plenty of bars and restaurants to satisfy many appetites! Mazarron borders with Lorca, Cartagena, Fuente Álamo, Alhama de Murcia and Totana, with a multinational population of around 35,000 inhabitants. It has 2 of the greatest assets, the sea, which gives 35 kilometres of unspoilt beaches and a fishing industry with mineral wealth which the mines of Mazarron exploited first by the Romans and then subsequent generations. There are many archaeological sites within Mazarron from the Cabezo de Plomo to the remains of the Roman Salt Fish Factory, and many natural sites such as the Erosions in Bolnuevo and Sierra de las Moreras.
