La Puebla apartments surround a well-kept pool and garden area, accessed via a locked gate in a small gated community with both year-round and part time residents from England and Spain. Located on the second floor, this apartment has the advantage of both a balcony/terrace area and large open roof terrace. The entrance to the La Puebla apartment opens up to a short hallway with a guest bathroom on the right, the first bedroom on the left and at the end of the hallway there's a modern, fully-fitted kitchen with a breakfast bar joining it to the living room. The living is flooded with sunlight through the large double sliding windows that lead out to the balcony and terrace area. To the left of the living room you'll find the master bedroom with en-suite bathroom and additional access to the terrace. The bedroom also has large fitted wardrobes and plenty of space for additional storage and furniture. La Puebla village is centrally located in the south of Murcia, with easy access to the most popular areas in the region without the downside over being in a busy highly populated area. There are also three major golf resorts within 10 minutes of the village as well as some of the regions 'hidden-gem' beaches, ideal for sunbathing in a peaceful, quiet area without having to fight for a space during the holiday seasons. The villa also plays host to a locally renowned restaurant, Galindo, a beautiful mediterranean restaurant within walking distance with friendly staff and outstanding service.
