There is a high demand for larger apartments in the Murcia area (with the available majority being 2 bed, 1 bath) and these new build properties are certainly meeting this demand and proving ever popular! Terrazas de la Torre Golf Resort is the most recent resort development project by Polaris World. A golf course designed by Jack Nicklaus in semi-desert style that blends with the surrounding landscape. The heart of the resort features a large lake that gives character to the most exclusive units in the resort. All golf course units are built around it, offering guests the privilege of enjoying the frontline and its stunning views.
