Address: Mar Menor Golf Resort, Murcia

The resort is clean, well organized and meticulously maintained, both on the golf course and in the residential areas. Wide streets and plenty of open spaces give it a relaxed and general feel of wellbeing. Throughout the year there are plenty of both residents and visitors contributing to a warm and friendly atmosphere through the 370 acres of the development. Cyclists and joggers enjoy the chance to exercise in the secure surroundings, and there are numerous venues for a relaxing drink or a bite to eat or more lively night out! Sports facilities at the Mar Menor golf resort include communal pools, tennis and paddle-tennis courts and a small gym on the first floor of the commercial centre. The 5 Intercontinental Hotel on site offers further sports facilities with its spa and both indoor and outdoor swimming pools. The clubhouse, which is next to the hotel, offers a number of on-site facilities including a cafe bar with terrace overlooking the green and additional services such as changing rooms, locker, sauna and pros shop where you can book your golf and hire golfing equipment together with booking professional teaching. All club house services are available to residents and golf visitors alike. Please contact our specialist team to arrange a viewing.
