This fantastic villa Enebro has just come to market and is a stunning example with great modifications internally. The kitchen has been totally refurbished and is open-plan to the lounge. The front door has been moved forward giving a separate area before entering the lounge for coats and shoes ect.. The lounge has been furnished to a high standard and is incredibly bright due to the south west orientation of the back of the house and garden. The ground level also comprises of a double bedroom, family bathroom and large storage cupboards. The top floor comprises a further 2 double bedrooms both en-suite. Leading from the master bedroom you have a large terrace overlooking the garden and pool area and a further terrace looking over orange groves. The garden has been cared for extremely well and has a great sized pool with an in-built heated jacuzzi adjoined to it. The way it has been designed also mean this also heats the pool at the same time. It faces-south west and has all day sun. This fantastic villa does not come to market very often- we recommend a viewing as soon as possible. Being on the La Torre Golf Resort, this Villa offers you a wide range of facilities right on your doorstep. The La Torre Golf Resort boasts a five star hotel with a spa, gymnasium, restaurant and meeting areas as well as one of the most beautiful pools on the resort. Also an on-site supermarket and furthermore there's a thriving square with hairdressers, a bar and the resort clubhouse. As always, this La Torre Golf Villa has the benefit of 24 hour security and two gated entrances to give you piece of mind in your new home.
