Villa Rosa is the most perfect place to holiday! It is a beautiful detached family property that is situated in a front line commanding position on the outskirts of Benichembla and Murla; just a few minutes drive from the popular town of Jalon in the Jalon Valley.

The property has extremely spacious and very well presented accommodation to include; a fully fitted and equipped dining kitchen with separate utility area, a dining room, a lounge with UK TV, WiFi and gaming facilities, a family bathroom, two master suites one with an en suite shower room, the other with a bathroom with separate shower, a twin bedroom and a further double bedroom. There is also a further shower room off the utility room that is perfect when you are enjoying the outside facilities.

The beautiful grounds to the property boast a stunning 10x5m private pool, an extremely large covered terrace with outside dining furniture, gardens to explore with lemons to pick and a large private driveway big enough for 4 cars.

From the property and gardens you will enjoy magnificent views of the valley and mountain backdrop. Villa Rosa really is the most perfect place for an extended family to have a well deserved break in perfect surroundings and accommodation.
