**Description**

This once in a lifetime property opportunity offers you the chance to own a magnificent finca / country house located in the heart of the beautiful village of Lliber.

Properties in this location and with this style finish and opulence really do not come to market very often so viewings are highly recommended.

The grounds to the property are fully enclosed, they feature a private driveway, a magnificent 13m x 5.5m private pool, a stunning bar and outside kitchen area with magnificent valley views, the Mediterranean themed gardens with an array of plants, trees, shrubs and secluded seating areas.

You enter the property via an enclosed Naya / dining area perfect for long summer evenings, this leads to a double entrance hallway that leads to the large lounge with feature windows and wood burning stove, a family dining room, a guest shower room, a fully fitted and equipped kitchen with utility area and doors that lead to a private gravelled courtyard that would make a wonderful breakfast area.

Stairs from the first hallway lead to two double bedrooms, one of which has access to the courtyard and a storage room and could easily be converted into a self-contained apartment.

Stairs from the second hallway lead to the first floor that boasts a beautiful family bathroom with walking in shower and free standing bath, a further double bedroom and a 'U' shaped master suite that has its own private terrace with amazing views of the valley beyond and an en-suite bathroom.

This beautiful family home or bed and breakfast opportunity has many special features to include air conditioning in all bedrooms, rustic arches, beamed ceilings, feature windows stone walls, and a wonderful basement that is accessed from the dining room and would make a perfect bodega/wine cellar.
