Modern villa, surrounded by golf courses, with seaviews. From the entrance you can see a modern design but keeping the relationship with the land where they are. It is a magnificent villa, has a large entrance with space for several vehicles, charming corners that have garden areas, materials that allow improvement and maintenance, such as the two large benches, where dwells a pool with cyan water and saline scrubbing about 50 square meters of sheet of water. Once inside, we find three floors of 110 square meters each, a staircase for the installation of an elevator in the future. On the top floor, it has 4 bedrooms, a large bathroom, and one of them with a large dressing room and a bathroom with hydromassage bath and shower, all with high quality porcelain flooring. On the middle floor, we find a large living room, toilet, kitchen and terrace overlooking the mountains of Mijas and the sea. On the ground floor there is a laundry area, winter lounge, fireplace, toilet and a more bedroom. This modern villa was completed in September 2016 and therefore has all modern facilities, being the only modern villa for sale finished in the Mijas Golf urbanization, which is very close to the restaurant area, a convenient supermarket and a luxury spa, plus two fields of golf.
