Vergel 3 bedroom country house with land and fruit trees. For sale beautiful country house with land, yard, work house and fruit trees.

On a plot of 2050m² we find this beautiful country house with an area of 125m². distributed in 3 double bedrooms very bright during most of the day. From the living room, which has a fireplace, there is access to a large terrace on a porch of 250m². where you can enjoy the tranquility of the area. The house has 2 fully independent kitchens, one inside the house and one summer. Inside the room there is a complete bathroom and a toilet.

Outside, inside the plot, there is the pool, tool shed, storage room and barbecue. In addition there are two rustic lands; formerly developable, where there are planted fruit trees as well as an orchard and a corral. The parking is not inconvenient as there is space for two vehicles with pergola and several outdoors. It also has needle water.

The location is excellent as it is located a few meters from the town of El Vergel as well as shops, supermarkets, cafes, restaurants, green area and a shopping center. The distance to Dénia is 10km. and of the beaches of fine sand and crystalline waters, 400 meters.

It is an ideal house to move into and for those who like to have their own garden and their poultry farm.
