Great Villa for sale next to the Montgó natural park. It sells impressive villa next to the natural park of Montgó, in a quiet place with mountain views and close to the city.

The house has 500m² distributed on three floors, where it hosts five large double bedrooms; Most of them with double bed, fitted wardrobes and a room as a dressing room. The two living rooms, both with fireplace, welcome a modern and rustic style. In one of the dining rooms, let's go to the garden and in another, to a terrace with a table where you can enjoy company, lunch or dinner prepared in the wonderful barbecue that is in the garden. The spacious kitchen, fully equipped with a multitude of storage cabinets, contains top quality appliances both American refrigerator and among others, a rustic style oven. In addition, it has four full bathrooms, with bathroom furniture. In the basement we find a game room; billiards, darts and ping pong, gym, cellar and a workshop. The house has air conditioning, heating and fiber optics. The furnished sale option is optional

Outside, completely independent although it is in a residential area with sewer and street lighting, we see the pool, the garden, large terraces, parking with pergola for 3 vehicles, barbecue on the porch and a water well.

Dénia, is just two kilometers like the beach.
