We access the house through the beautiful old restored wooden door and we find the natural grass garden that surrounds the whole house. The upper floor is occupied by a second bedroom with dressing room, a fun bathroom and solarium.

The lower part of the house is divided between a closed garage for 2 cars, storage room, staircase that communicates with the upper part, and a nice semi-basement with fireplace and sofas, pool table, pinpon, darts, a small kitchen, a bedroom double and a bathroom.
