Space is a luxury, light and sun a privilege and if we add the possibility of enjoying a first line with its Mediterranean Sea, what we have is synonymous with exclusivity.

This property, with a paradisiac garden from where we can accede to about 50 meters to the Beach of the Almadrava.

The main house is comfortable and very bright, thanks to the number of windows and their situation. It is built on two floors. On the main floor (ground floor) we find a large living room with fireplace, a functional kitchen, separate but without door, the master bedroom with en suite bathroom, a further bedroom, a bathroom with shower, a dining room and a second lounge with Exit to the terrace where you can enjoy the unforgettable sunsets. On the upper floor, with independent access there is a bedroom, a terrace, a bathroom with shower and an open terrace.

On the outside there are spectacular terraces where you can spend unforgettable moments, a laundry room with shower, two storage rooms, private parking semi closed, barbecue, garden around the villa and the essential pool.
