M2 Living: 105²M2 Plot: 1400²

M2 Terrace: -

Address: Denia, Alicante

Villa with fantastic fenced plot of 1.400m² 50m from the sea with many possibilities. The house consists of 3 bedrooms, kitchen, living room and bathroom, several terraces, garage, storage and heating. It is sold furnished as it appears in the photos.

Surrounded by all services, it has direct communication to the urban center throughout the year.

Unbeatable location, on the longest beach in Denia, adjoins the beach of the neighboring town of Oliva. It is the furthest from the urban area of the city. It has a special charm since it has been the one that has preserved its wild nature the most. In it you can still see Dunes and enjoy a fine white sand.
