A new development of contemporary villas superbly located to the eastern side of the "MIjas Triangle", only 10 minutes to Malaga International Airport and 5 down to the amenities of Fuengirola city. The development consists of 22 luxurious villas on private plots, all of which enjoy superb south and southwest views to the crisp blue Mediterranean sea. Phase 1 offers luxurious villas of 200 to 228m² constructed living area and 100 to 130m² of basement, that can be used as a gymnasium, games room, kids play area - etc.: or perhaps a combination! The Villas will be designed with 3 and 4 ensuite bedrooms and each owner will have the final say in the layout and distribution of their project. The plots start at over 800m², up to 1,500m²+, so there is ample room for an extensive decking area around a private swimming pool and gardening area.
