A modern development of 35 apartments (Phase 1 & same in Phase 2) in Mijas Costa located between El Carvajal and El Faro with an incredible communal pool and clubhouse - built in a contemporary design with clean lines and chrome and glass finishes being at the fore. This unit is based on the 5th floor penthouse available in Escalera 1 with panoramic sea views and outlook along the coastline and Africa from the large terrace of 235m². There are many high end features to the units with underfloor heated wooden floors, fully fitted kitchens with thermal energy systems for warm water and conditioned air installed plus the large glass windows and doors add to the energy efficiency of the project while the fitted wardrobes and electric blinds complete the overall look of this modern design. The complex will be monitored by 24hr security company once the first occupation license is through in early 2017.- Each apartment comes with 1 parking space and storage. All units are either South East or South West orientation. The clubhouse area includes a fully equipped gymnasium, chill out with BBQ area with changing facilities, sun loungers are available around the infinity pool which looks out directly to the Mediterranean Sea with a stunning outlook.
