Your south facing villa has been designed to provide a contemporary functional home with large open plan living areas that connect the best of interior and exterior living spaces by the use of large windows, natural stone and top quality materials throughout. The addition of a basement and solarium are optional allowing homeowners to add a further bedroom and personalize the basement to suit their individual requirements. This unique development is complemented by a family membership of La Resina Golf Club. Much thought and detail has gone into the design to create a comfortable villa with good quality specifications that offer a superb lifestyle choice for those looking for a new home by combining clean architectural lines and spacious living areas designed for Mediterranean living. Quality materials have been used throughout and this is visible in the choice of beautiful open plan Italian kitchens which feature top appliances as well as the stylish bathrooms equipped with oversized showers and freestanding baths, wooden floors in the bedrooms and porcelain flooring throughout the rest of the villa are just a few of the highlights offered within this boutique development. A wonderful opportunity to own a home in one of the most tranquil and private residential areas on the Costa del Sol ideally located on the New Golden Mile between Marbella and Estepona, only 7 minutes drive to Puerto Banus and next to La Resina Golf Club, and Selwo's Natural Reserve Park. The location provides very easy access to the main road and is close to all nearby facilities and amenities.
