Belaire is a new project, a contemporary style complex offering 63 apartments and penthouses with 2, 3 and 4 bedrooms situated on the new Golden Mile. An enclosed complex with a magnificent central pool surrounded by gardens. Only one kilometer from the sea and with the incredible advantage of being able to walk to a multitude of services available in the area, such as restaurants, 3 well known supermarkets, pharmacy, notary, shops, etc. The apartments offer quality and modern architecture and will be built with top quality materials and neutral finishes. They are designed to make the best use of the natural day light joining the exterior and interior spaces through the terrace creating a pleasant sense of continuity. A modern fully equipped kitchen integrated in the living room helps to create a relaxed atmosphere. This penthouse also offers a private solarium of almost 70 sqm. The price includes a storage room and garage in the basement. Construction commences in the Summer of 2016 and will be delivered in late 2017. Do not miss the opportunity to buy a perfect home fully adapted to modern life.
