Palo Alto offers a mix of spacious apartments, penthouses and villas to be built across 50 hectares of land and will feature low-density, sizeable plots and luxury leisure facilities within a secure, private and exclusive urbanization. Boasting incredible, uninterrupted views, expansive outdoor terrace space with integrated parasols for providing shade will be a key feature of the apartments with some ground floor units and penthouses featuring their own private plunge pool. Contemporary, cutting-edge architecture, maximizing views and natural light from an elevated position, Palo Alto blends modern aesthetics, comfort and amenities natural surroundings. This listing is based on the 3 bedroom 2nd floor apartment in block 5 with a south-east facing orientation. With the onsite Health Club, Palo Alto is ideal for exercising as well as working and socialising. With a state-of-the-art gym, fitness studio and indoor pool on your doorstep, you will never have an excuse not to work out. Enjoy time unwinding in the spa, sauna and steam room or escape from the distractions at home while working from the business centre. And if you have children, they can have fun in our Kids Club. Private chef booking, car cleaning, grocery stocking, cleaning and laundry will be some of the services offered to help you manage daily life and prepare in advance for returning home. The main entrance to Palo Alto will provide 24-hour security and each separate unit will have restricted entrance via the use of a security token.
