A stunning penthouse apartment in the exclusive urbanization of Benatalaya, just a few minutes drive to various golf courses, the beach, San Pedro and Puerto Banus, and walking distance to a local supermarket and private school. The secure urbanization offers amazing facilities: four outdoor swimming pools, a fabulously appointed spa facility that includes a heated indoor pool, gym, sauna, Jacuzzi, as well as a tennis court, all set within beautiful tropical gardens. Three parking spaces and a storage room are included in the price. This is the best located penthouse as it is not at all overlooked and has panoramic views to the sea, countryside and the mountains. Finished to a very high standard, the apartment has luxurious fittings throughout including A/C hot and cold, heating, integrated multi room sound system, quality marble floors throughout and a new kitchen. The sliding patio doors in the bright living room/dining room open out onto the wonderful L shape terrace that spans the whole width of the property taking in marvelous uninterrupted views to la Concha and the sea. Being partly covered, you can make the most of the sunshine all day as it is south facing, or sit in the shade for a drink al fresco. The kitchen was extended and there is ample space for casual dining. The bedrooms all offer en suite bathrooms with underfloor heating and fitted wardrobes. The second guest bedroom opens out onto a private west facing terrace, whereas the other two lead to the main terrace.
