Priced at 1,495,000 Euro reduced from 2,000,000 Euro Plot Size 71,808sq m Almost every sq m of this plot has fantastic views of the coast and In one location there are views that spread from Puerto Banus to Gibraltar. There are 'out-houses and sheds' on the plot that are used by a goatherdsman who lives on site. Planning to build 250m2 would almost certainly be granted provided the building also allowed for 'use with animals' complimentary to a green-belt environment. There is a dirt track road to the property. The nearest asphalt road is about 1000m away. Small well on the property.
