Traditional 3 bedroom Villa In El Pilar, finished to a very high standard by the current owner. Very well located, in walking distance to amenities and only a short drive to San Pedro and Puerto Banus. The villa sits on a plot of about 1000 m2 which includes the private drive that leads directly into the large garage and store area. Further on that level you also find a nice size "Bodega". From there some stairs lead up to the main level of the house where you find the large family kitchen and a spacious living area with fireplace. From the living area and from the kitchen you have direct access to the about 40m2 covered terrace which leads on to the garden and swimming pool area. On the first level you find 3 bedrooms all with en-suite bathrooms and decorated with lots of traditional features and details. Spain - Andalucia - Costa del Sol - Marbella
