Modern and elegant luxury apartments and penthouses with wellness spa in construction with the most amazing sea views. The build will offer 2 and 3 bedroom apartments located over 5 floors. Each floor will consist of 6 luxury properties with 4 three-bedroom apartments and 2 two-bedroom apartments. Construction commenced in May 2016 with a completion time frame of 18 months for the first apartments, priced between 430,000 euros up to 608,579 euros for a corner penthouse. These properties are perfect for year round living or for enjoying during the holidays, thanks to a careful layout and their luxurious fixtures and fittings, with under floor heating, air conditioning, home automation, wall cladding with wood panels or porcelain pieces, wooden flooring on terraces, custom designed bathroom furniture and using high end brands. The building design is adapted to the mountainside offering privacy and spectacular views from any apartment. Due to its excellent location on the Cumbre del Sol you can enjoy panoramic views over the Mediterranean Sea ranging from Cabo la Nao in Javea to El Portet in Moraira. The entrance to the building, with covered parking spaces, is at level 0. At level +1 are where the 6 penthouses will be located. At level -4 is the Wellness spa area for the cooler months with heated indoor pool, sauna, jacuzzi and access to the terrace and outdoor swimming pool.
