Impressive south facing villa for sale, Javea Montgo. The property is on one level with a double garage underneath and a third garage to the right, all prime for conversion. The plot is fairly flat but graduates with lemon and orange trees and various fruit trees. The driveway leads up to the outside of the property. The plot is large and has a covered BBQ area and pool. Some steps take you up to the main living area which consists of a large kitchen leading on to a dining room and then living area with open fireplace. All this looks out onto the open terrace with amazing views to the valley of Mongo Valles. The property is rustic style with high wooden beam ceilings. There are 2 large bedrooms with good size en-suite bathrooms and a third bedroom with a separate bathroom.
