VILLA WITH PANORAMIC SEA VIEWS JAVEA Beautiful, spacious and bright villa with stunning panoramic views of the sea. This house is located in the area of Javea Costa Nova, is distributed in main house and completely separate guest apartment. At the entrance of the plot we have a parking area and access to a double garage at the back of the cellar storage room and the stairs leading to the main floor. Attached to housing main we have completely separate apartment distributed in living dining kitchen where we have a double door that leads to the outdoor terrace, we also have two double bedrooms with fitted wardrobes and air conditioning and a bathroom with a bathtub for general use. We access the main dwelling and we have a large hall, to the left are stairs from access to the floor garage and also stairs leading to the upper floor. Along with these steps we have a bedroom, closet, plenty of light and good views and next to the bedroom have a bathroom with shower for general use. On the top floor we have a stunning suite with Foyer entrance, large dressing room right now used as bedroom, fitted wardrobes and bathroom with large corner bath, then we have the area where is located the bed and from here access to an outdoor terrace with stunning sea views. To the right of the main entrance we have a hallway that leads to the kitchen, wide and luminous with central island, next to it we have a laundry room and pantry, from the kitchen we have a double door of access to the terrace and also access to the dining room door. Opposite the entrance hall we have an impressive living room with a beautiful fireplace, large windows to enjoy the views to the sea and the area pool as well as the splendid light we have. Next to the living room and dining room we have a covered glazed terrace and then the outside area where we have an extraordinary infinity pool and access to it without stairs and again fabulous views. This house is built with materials of the highest quality, marble floors, underfloor heating, alarm, outer PVC joinery with double climate type glazing, electric shutters in doors and windows as well as background music. We recommend visiting this property to appreciate all its charm and also enjoy the location.
