Address: Moraira,

A fantastic project for a new construction in the wonderful and quiet locality of Moraira - a modern villa with sea views. This contemporary villa will be built by a company with 40 years of experience in the construction sector. The villa will be built with the best materials and with the best finished. The house will consist of 3 floors. One of them is below ground and two of them are above ground. In the basement will exist a garage with enough space for two cars, a laundry room, a storage room and an installation room. On the low floor will be the house access, a fully equipped kitchen, a living-dining room, a bedroom, two bathrooms and access via the stairs to the second floor where there will be three bedrooms, 3 bathrooms and a terrace. The house's walls will be crystal windows; with these windows you can enjoy the wonderful views from anywhere in the house. The same views that you can enjoy from the infinity pool which will be in the exterior. The house will have an elevator with access to all the floors. Also, it will have in the low floor and second floor. Irresistible modern villa in one of the best places in the Costa Blanca.
