Cumbres del Tosalet Is a beautiful housing complex based on the principles of integration with its surroundings and respect for the environment. Located next to the prestigious El Tosalet urbanisation, a national benchmark for high quality of life and palladian architecture, Cumbres del Tosalet pursues the philosophy of respecting the environment and architectural harmony, but from a contemporary stance, with a more open style of architecture which allows nature to be present in the interior of each villa and to let light illuminate each of its corners. As such, Cumbres del Tosalet provides all the privacy you need, whilst also letting you make the most of the Mediterranean light. These are very modern villas, completely integrated with their surroundings, that will allow you to live with all comforts as they are houses built to the highest standards of quality and with the very best materials. In addition, you will have options for all the technology and home automation services that you would expect from your home.
