Bathrooms: 2
M2 Living: 165²
M2 Plot: 1000²
M2 Terrace: 40²
Address: Jávea, Spain

Available per 1st oktober 2020:

A 3 bedroom, 2 bathroom villa with high ceilings, double glazed windows, shutters, kitchen, washroom, fireplace. The modern warm looking villa is 180m², all on one level but in the livingroom via stairs you can go up. This extra upper level is perfect to use as office, playroom, extra storage or even 4th guest bedroom. There is gas central heating. The plot is 1000m², pool 8x4 fully fenced in pool and fenced in garden. Therefore the house is suitable for a family with children and dogs. The garden is mature and contains palm, passion trees and a range of exotic cactuses. The villa and garden are well maintained and ready to move in. The house is unfurnished.
