MASSAROSA - [V0067] - Villa Monticello, situated in the locality of Monitcello in Massarosa Lucca, this villa is only 7km from the beach. Built between 1978 and 1980 and designed by Architect G.Bertolozzi, a student of the well-know architech Michelucci from Florence, the villa comprises: 1250 sqm floor space, kitchen, dispenser, large living areas, 8 double bedrooms with bathrooms, terraces, a semi-interred area to be used as a cantina, lift/elevator. The villa is part of a quiet environment enriched by 10000 sqm of land which is cultivated with fruit trees and olive trees. Due to its elevated position, the villa boasts a fantastic view of the sea, the lake and the wide green spaces surrounding it. Already set up for an outdoor pool, the villa is equipped with an air-conditioning system and a gas-fired independent gas heating system.

At the customer's request, our group is able to offer renovation proposals that include plants, swimming pool, fixtures and some exterior restoration works for facades and floorings.

To this end, renderings were made to show the potential buyer how the villa could be renewed
