Stairs from the courtyard lead to a double bedroom with wooden beamed ceiling and an independent guest apartment consisting of a lounge/dining room, 2 double bedrooms, an additional reception room plus a kitchen and family bathroom both requiring updating.

The 35,000m² plot features a large stable block with central fountain and 16 stables, spacious paddocks and a training ring/warm-up arena, additional outbuildings/animal pens plus feeding areas, an extensive building with scope to create a yoga/dance studio or to build independent apartments and a huge sun terrace boasting views over the surrounding mountains and countryside.

The property offers enormous potential to open an equestrian centre or to create an Andalusian holiday park (subject to permissions).
