Shower model Max of Tres. Spray chrome ceiling three. Pre-installation of washing machine points, dishwasher, 3 outside taps and water connection.

A modern, spacious and comfortable home in a nice, quiet area but within walking distance of all the amenities needed for day to day living.

Ideal property for those who want a relaxed life but close to the benefits of the coast.

The nearest beaches are Denia at 10km and Javea at 12km. Situated in one of the quietest areas of the Costa Blanca with superb mountain views and nearby golf courses, La Solana II enjoys a modern infrastructure including underground telephone installation, central gas, lighting, hydrants for surface water and of course, sewage, underground electricity cables and water supply.

Plot with mountain views. Modern urbanization. Housing with gas city. Connection to the general sewer system. No power lines fly over the urbanization.

Pedreguer is a village in the Marina Alta region north of Denia on the Costa Blanca North, typically agricultural, erected at the foot of the "Muntanya Gran" (Big Mountain), with abundant irrigated land where vegetables, citrus and vines whose grapes make the traditional and delicious raisins. It is a very quiet place where traditions, agriculture and handicrafts have known how to coexist with the most advanced industry.
