Address: Javea,Alicante

This impressive Villa is on a quiet street guiding to the sunny side of Montgo Natural Park. On a large flat plot, you find this house plenty of space for accommodation and places to relax as well as work comfortably. As you drive in through the automatic gates you can park just in the driveway, in the double garage or even in the extra garage at the end of the driveway. The house itself has different entrances from where to come in. Closed and open terraces surround the property offering a wide range of choices when it comes to select your chill-out favorite place. Inside you will find living areas, dining room and a fitted kitchen with additional space and pantry. The bedrooms are quite large with all the space you will ever require. There is a bedroom with its own dressing room for example. The bedrooms are distributed between the two floors of the house. The basement, as you can imagine is full of room and facilities. Here you will find a workshop, a sewing room, technical rooms and even a sauna with bathroom and relax area provided for this aim. The outside area offers lot of places around the great pool with salt water. Here you can enjoy the sun and also have cover when you want to cook and spend an excellent time with your family or guests. The views of course are outstanding; it is the sunny side of Montgo you will be always facing. Winter here will be just a time you will not notice. This could be your next home at the sun. Located in Montgo-Toscamar area in Javea. Only 3 km from the city and 5 from the beaches. The Golf is only 6 km from here. The international airports of Alicante and Valencia are about 110 km in opposite directions. Not far from here, you will also find cities as Denia, Oliva, Gandía, Moraira, Calpe on the coast line and Jálón, Guadalest on the inland. Always a new place around the corner. Central heating with oil, 2 kitchens, Air conditioning hot/cold, sauna, pool 6x12 with salt water, terraces, fruit and palm trees, workshop, storage, electric gate, chimney, double glassed windows, electric water heater, exterior kitchen, mountain views, etc.
