Address: Denia, Alicante

Completely renovated villa with the best materials in terms of quality concerns, has views to Dénia, the Castle and the sea. On the main floor we can find a spacious lounge with windows to the floor and fireplace, a toilet and modern kitchen, white, full equipped with an island. On the top floor it has two guest bedrooms with fitted wardrobes and toilet with shower incorporated into each one and the private area which is divided into walk-in closets, a spacious bathroom with walk-in shower and well sized master bedroom that offers a fantastic panoramic views. The basement has another room/storage room with a bathroom. Outside a large terrace is located with a 5 x 10 m kidney pool, a chill-out, another terrace facing South and two small ponds. The garage is on the street level and in front we have a private parking for 4 cars.
