Beautiful villa with views of the sea in the residential La Sella. The property is located in the upper part of the mountain, so it has a privileged location with all day sun and stunning views to the sea. The House is distributed in two floors: the first floor composed by a large living/dining room, fully equipped kitchen and three double rooms, each with en-suite bathroom. From this floor is accessed the pool with spectacular views, Garden, various terraces and summer kitchen. Downstairs connected by an interior staircase, it is a double bedroom, a bathroom, and on the other hand there is the garage. It has central heating, air conditioning in rooms, parking area for several cars and private garden with automatic irrigation.
