Address: Calpe, Alicante

Beautiful villa near the beach of Calpe This large property is located in a quiet urbanization at the entrance of Calpe, very close to the Les Bassetes marina and the beach of Calpe.

The villa has an apartment on the first floor with a large balcony and a hobby room with bedroom and bathroom in the basement.

The master level consists of a bedroom with an integrated bathroom. The second bedroom has a terrace door leading to the pool area. Furthermore, there is a large bathroom, beautiful country-style kitchen, large living room, dining room and beautiful covered terrace. There is also the pool area with a 7x4m pool, an outside shower and an outside kitchen with an extra terrace.

From the kitchen leads a spiral staircase down to the hobby room (also with direct entrance from the parking lot). On this level there is also a bedroom (without window), bathroom and storerooms.

On the upper floor you reach the large terrace of the apartment. There is a bedroom, 1 bathroom, living room and living room.

Extras: Air conditioning, Gas central heating, Fireplace, Double glazing, Summer kitchen, poolside shower
