This beautiful villa with views of the sea and direct access to the sea in Els Poblets has been completely renovated. The sea can be reached in a few steps. The villa has a well-kept garden with lawn, from which you can directly access the Pebble Beach. On the lower level of the House there are two bedrooms, one bathroom, open kitchen and living room and dining room with fireplace. From the glassed-in porch you have a wonderful view to the sea. On the top floor there is another bedroom with bathroom. Also from here you can enjoy the view of the beach and the sea. The property is located in a quiet cul-de-sac. A perfect property for holidays both throughout the year.
