M2 Terrace: -

Address: Javea, Alicante

Fantastic villa in Javea situated just 500 meters from the beach. The construction, second hand but in good condition, is rustic and has an area of 330 m² on a plot of 3,050 m² plot. The area, in which is situated, is great and not comparable. The house has five bedrooms, three bathrooms, two living rooms, a kitchen and a storage room, all rooms are very spacious. Externally, it has a terrace and a covered terrace from which to enjoy the sea breeze and good weather in Jávea practically throughout the year. Regarding equipment, the villa has central heating with radiators, fireplace, wardrobes ... In addition to the proximity of the sea, the villa has a pool of 5x10 meters in the outdoor garden and a barbecue. There are also shaded areas for parking. The villa is very close to the Arenal beach in Javea. The area with more hospitality and leisure services in this town on the Costa Blanca. Buy this house is to enjoy a unique site in a privileged environment.
