Bedrooms: 5

Bathrooms: 3

M2 Living: 400²M2 Plot: 1980²

M2 Terrace: -

Address: Javea,Alicante

Villa located in a quiet area of Javea just five hundred meters from the historic center of this town on the Costa Blanca. The house is second hand but it is completely renovated with the finest materials. The building has 400 square meters and plot 1,980 in total. Occupies two floors which are spread five bedrooms, three bathrooms (one with Jacuzzi), a lounge, a kitchen, a covered terrace, a library and a storeroom. It also has private garage for two vehicles and a shaded area for parking. Comfort is ensured thanks to central heating, fireplace and air conditioning. The joinery is wood and the cupboards are built-in. The security is guaranteed thanks to the alarm installed and fencing around the perimeter of the plot. Outside is a beautiful garden with swimming pool surrounded by palm trees and beautiful lawn. Also, has a barbecue, laundry and automatic irrigation system.
