Chalet located in Javea's prestigious area of La Corona, a few minutes from the port. The house was designed by architect Manuel Jorge, of which the best villas that are found in this village on the Costa Blanca, come. The villa of 375 m<sup>2</sup>, is extremely versatile, yet it is designed with 3 independent apartments on 2 floors, offering 6 bedrooms with the accompanying bathrooms and 3 Nayas that lead outwards with a beautiful view of the sea. The apartments offer plenty of light thanks to the large windows. Available are central heating, aluminum in windows and doors, real wood interior finishing, dressing room, fully equipped kitchen, video intercom and every kind of amenity. On the plot of 1000 m<sup>2</sup> there is also a beautiful garden with a pool. A unique house for those who want to purchase a special luxury villa, since each of the houses of this architect are different.
