M2 Terrace: -

Address: Javea, Alicante

Large villa in Mediterranean style with beautiful views over the Valley and the Montgo from naya, as well as the sea and Cabo de San Antonio. Located in a quiet residential area, next to a green, but very well connected area a few miles both old town and el Arenal. On a virtually flat plot of 2000m², it has 600 m² building which are divided into two separate twin homes but share garden, terrace, swimming pool and the same entry. Ideal for live throughout the year, and have a house guest or rent it. Each apartment has its own kitchen, laundry, lounge and dining room; one of them has three bedrooms and a study and two bathrooms; and the other two bedrooms and two bathrooms, and a large Studio or office that can have several utilities. All rooms are spacious and bright. Built with typical elements of the area such as wooden beams, stone-tosca... It also has fresh and spacious terraces, ideal for summer.
