Villa of recent construction, with materials of first quality. Very good situation, since it is in a residential area very close to the historic center of Jávea. It has 180 m2 built on one floor, distributed in spacious living room, modern fully equipped kitchen, three double bedrooms with fitted wardrobes, and two bathrooms; A sunny south facing porch and a garage in the basement floor of 57m2. It has underfloor heating.Sold together with the flat plot of 1.581m2, large space to be able to build a nice garden and pool. The outdoor infrastructure is not made and is not included in the sale price.It is a good opportunity to live in a large house a few minutes from the village of Javea and with beautiful views open to the valley.
