M2 Terrace: -

Address: Javea, Alicante

Fantastic modern style villa with the best panoramic views to the sea and all Javea, situated in one of the most quoted urbanizations of the Costa Blanca. The fenced plot is 1350 m2 with an entrance that goes straight to the car park and a garden of Mediterranean style of easy maintenance and chill out area. The House with sea views from every part of the House has 313 m2 distributed over three floors, the access floor has a hall with a skylight that gives great luminosity, with a large living room, with several areas be open and communicate with the terrace dining room and open, very practical kitchen with island, a toilet and a sink. The top floor from which goes down a sweeping staircase, is the master bedroom with wonderful views of the Bay, with a large bathroom, dressing room and private terrace. The lower part is that leads to the sunbathing area, swimming pool of 7 x 5 from which provides all Javea. On this floor there is a wine cellar, two bedrooms, one double and the other may be triple, this one with bathroom en suite, a shower room and a storage room. You should visit it to appreciate its value. We recommend it
