Beautiful traditional style villa located in the urban area of La Jara, has a large plot with flat land, garden with natural lawn, 3.5x8m rectangular pool, built-in barbecue and parking area for several vehicles. The house is distributed on two floors, on the main floor we find as soon as we enter a hall, a guest toilet, kitchen and fully equipped with direct access to the garden, a laundry room, an office and a large living room with access to the covered porch. We access the first floor by natural wooden stairs and has a master bedroom with dressing room, bathroom en suite and terrace, two bedrooms of very good size and another bathroom. The house has a lot of light throughout the day, is very well maintained and has very good qualities in terms of construction, also has underfloor heating on the main floor with city gas boiler, air conditioning by splits cold / heat inverter in all rooms, stoneware floors, PVC exterior carpentry with double glazing and security glass, interior carpentry with natural wood doors and all possible amenities. Do not hesitate to contact us and visit this beautiful home!
