Two Villas For Sale In Javea sharing a 2000 sqm plot with swimming pool and breathtaking views of the Montgo and surrounding countryside. Each villa can be purchased separately for 275.000€ but we feel this would be ideal to purchase together as a rental investment. The property has a large driveway, garage and carport with steps down to the two separate entrances. On the right, the first property comprises of an upper level with living room, kitchen, bedroom and bathroom as well as a naya and terrace facing west, perfect for the wonderful sunsets. Then you will find the lower level (via internal) stairs which has another two bedrooms, family bathroom and storage. On the left you will find a similar layout with kitchen, living room, bedroom and bathroom on the first level. Internals stairs lead to three more bedrooms and a family bathroom. Both properties have separate garden areas but share access to the wonderful swimming pool.
