This stunning villa in perfect condition can satisfy even the most demanding taste! A quiet, very green residential area, just a few minutes walk from the sea (Cala Blanca) and 5 minutes drive from the sandy beach, banks and supermarkets is undoubtedly one of the advantages of this property. It should be also noted the well-groomed garden with a lawn, flowering and fruiting trees and shrubs, lively foothills and a pool, as well as fantastic panoramic views of Mount Montgo and the surrounding area.

All residential premises are located on the same level (3 bedrooms, 3 bathrooms, kitchen, living-dining room and covered terrace), if desired, the living area can be expanded in the basement área with windows. Do not miss!
