This villa was reformed with one aim in mind – enjoy Mediterranean lifestyle with the sun all around the whole year, the open panorama views, next to the Montgó Natural Park and to the beaches of Denia. Located in a quiet street on a well-developed area next to all the amenities and Denia city centre. The main house is on the upper level and taking advantage of the views, open terraces, pool and exterior kitchen. You enter this level through a beautiful, open and light hall. The lounge has large windows specially designed to get the most sun light, has a chimney and an exit to the covered terrace of good size with even more light and access to the near terrace and pool. There is also a dining area with large windows and in front of a well-equipped and modern kitchen. The master bedroom is large enough for a dressing room, a private balcony and an en-suite bathroom. There is also a guest toilet. The second living unit is also large and plenty of space. The lounge is wide with a dining area and a wardrobe. The kitchen is also very spacious. The apartment has one double bedroom and a large master bedroom with dressing area and en-suite bathroom with sauna in it. The plot is surrounded with fruit trees and terraces. There is a driveway where to park and a big garage used as a gym now. There is a technical room and a cellar accessed from the garage. This property is a must-see-it dream house.
