This project for a new build&nbsp;modern villa is located&nbsp;in Paichi, Moraira, close to the town of Moraira and the amenities. The property&nbsp;has 2 floors. The main entrance is on the first floor where&nbsp;you will find 3 double bedrooms and 2 bathrooms (1 en-suite). The ground floor, which you can reach by stairs or a lift, has&nbsp;an open plan distribution. Here you have a&nbsp;living/dining area, large kitchen with isle, utility room and guest toilet. Through large windows you reach&nbsp;the pool, pool&nbsp;terrace and&nbsp;summer kitchen under the pergola. From here&nbsp;you can enjoy the beautiful views and some sea views. The villa will be built with first class quality materials and includes: under floor heating, double glazed windows, bedrooms with shutters, air conditioning and alarm installation.

This project can still be adjusted to the needs of every client.&nbsp;
