Currently being built in Tosalet, Javea, this elegant ultra-modern villa is in an excellent location with panoramic views of the Montgo Mountain and orange groves, and the old town of Javea. This property is located in a fully fenced private plot with an electric gate. It has 4 bedrooms and three bathrooms, 2 of which are en-suite. The modern architecture with glass walls and straight lines guarantees light-flooded rooms. At the same time we guarantee a high quality and upscale construction, taking into account the latest energetic criteria, ensuring functionality and recoverability. The ground floor offers a large and open plan living-dining area, an American kitchen, and three bedrooms. The master bedroom is connected with an "en suite" bathroom and dressing room, the other two bedrooms have access to a further bathroom. All rooms have direct access to the sunny pool terrace with a large "infinity" - pool, wide entrance staircase and underwater lighting. The property has air-conditioning throughout. It has underfloor heating with heat pump. The windows are all double glazed with mosquito nets and electric shutters. There is a spacious basement which is extendible and could be converted into a fitness gym, home cinema or separate guest apartment.
